

NIYUKTH

BEP 20 NKTN Token

Based On Binance Smart Chain

Whitepaper

NIYUKTH NKTN TOKEN COMES TO THE LIGHT

The project was born in the middle of the explosion of the DEFI world, from an idea of young entrepreneurs who wanted to introduce the fundamentals of the crypto world in everyday life, breaking down the preconception that often binds the cryptocurrency to the purposes of mere speculation.

NKTN Token is created, in fact, to be the very opposite: it is indeed a token based on the BNB of NKTN Token and deposited in Pancake Swap as liquidity pool.

WHY NKTN TOKEN?

Streaming, crowdfunding, are just some of the strengths that will be an essential part of the diverse and exciting NKTN ecosystem, and an integral part of our roadmap.

Everyone who joins the community will be able to use NKTN tokens as a payment method to access the network of services available.

WHAT IS NKTN TOKEN?

Niyukth APP for anyone wanting to get an appointment in various fields in day to day activities and looking to get involved

Before we explain about Niyukth app, let us give some Examples to understand the Upcoming Niyukth APP

Amazon: Most of the products could be purchased through this platform

OLX: Used, Refurbished products could be bought or sold in this platform

OLA: Can book taxis using this platform

BOUNCE: Two wheeler could be booked for rent in this platform

BOOK MY SHOW: Movie tickets and any other event tickets could be booked from this platform

SWIGGY: Food could be ordered from this platform

Above quoted are just just few examples involved in their respected fields

So here comes the Question regarding platform/APP for APPOINTMENTS.....?

SO HERE COMES THE QUESTION REGARDING PLATFORM/APP FOR APPOINTMENTS.....?

LET'S ASK SOME QUESTIONS...

- Is there any structured platform for Appointments..?
- Is there any platform providing appointments of all fields..?
- Is there any Easy and user friendly and feasible appointment booking platform in all fields available...?
- The answer would be obviously No...

Niyukth (NKTN) APP

- Is a platform where all kinds of appointments of all fields can be booked easily?

It's a innovation from we have come out from our company

- This APP Will be working In Android as well as IOS version
 - Android Version would be started by within the second quarter 2021.
 - IOS version would be out by Third quarter 2021.
 - Vendors from various fields can register here for free of cost
 - Doctors (All Experts)
 - Engineers
 - Ayurveda Treatment providers
 - Lawyers
 - Astrologers
 - Beauticians
 - Business Expert Service providers
 - Different field Service providers...and so on
 - There are many examples, any field for that matter, which common man would not know but may be in search of it, but did not know how and where and where to find as it was not easy for them.
 - In NIYUKTH (NKTN) by blocking their slots in a particular area/field on their comfortable day and time these slots will be made available for bookings provided by the vendors. Whereas anybody can easily book their APPOINTMENTS through the NIYUKTH app.which is going to be out very shortly for the public usage.
 - For more info, kindly check our website mentioned below.
 - <http://niyukth.com/>
 - (Still under development but can access and check the progress)
 - Overall survey in the digital world, made us realize that there are no such service platforms which includes irrespective of all the fields.
- Obviously we are the first to state this initiative in the said field uniquely.

- Initially our plan is to raise the 10 million \$ funds to establish the project, through the NIYUKTH (NKTN) Tokens built on BINANCE SMART CHAIN BEP-20.by keeping in the mind gas fees and speed of the transaction, through PANCAKESWAP(V2) and then on our proprietary marketplace.
- Social world will be able to connect to NKTN token in an absolutely effective and productive way, investors, influencers, streamers, will have the opportunity to use our platform taking advantage of many benefits in the form of Bonus and many other way. NKTNs to important partnerships.
- In fact we have started an ever-changing marketing campaign, which will start from the world of influencers (both specialized in crypto and not) of Instagram, Youtube, Twitch, Tiktok, Twitter,Github,facebook etc., and then expand to the press, websites and online portals, in order to progress in a fast, fluid, wide-ranging way.

OUR GOAL

NKTN Token's goal is to go beyond the simple concept of a deflationary token, not limiting the experience to the world of cryptocurrencies only, but fully exploiting its enormous potential.

By rapidly implementing over time a series of services that will become part of the everyday life of the Niyukth family (while increasing the value of the NIYUKTH token itself and through BONUS), we aim to create a great community and also an innovative store of value and charity platform, attentive to important causes around the world.

The concept of "Niyukth beyond the crypto" is central to our growth project, because it fully expresses our need to break out of pre-established patterns and create a broad, multimedia, fresh and international project. One important promising in NIYUKTH (NKTN) tokens is, its vast usage in coming days. And burning process in 3 stages.

FEATURES OF NIYUKTH (NKTN)

- 1) Everyday Millions of APPOINTMENTS are happening without systematic structure our first target to solve this hurdle and make them use of the Niyukth
- 2) Day by day we inspire to make use of the Niyukth to all Vendors .so that it will be very much useful to grow their business and earnings by getting more and more users and keeping themselves busy
- 3) As we are going to promote this plat form in tremendous level by collaborating, publicity with celebrities Niyukth will boost in vast level
- 4) Initially we targetting in India. Once everything sets right, it will come into effect globally
- 5) Niyukth Asset and company Valuation will increase according as per the growth
- 6) Our target is to reach Domestic level within a year and start to reach globally within two years
- 7) Based on individual growth of the company Bonus will be announce to the

- NIYUKTH (NKTN) token holders on regular bases (It may yearly or quarterly bonus)
- Whenever users book their appointment they can pay fees in native Currency as well as in Niyukth (NKTN) Tokens.

NKTN tokens will find a greater usage as day by day appointments will increase, millions will use them domestically and globally as per the growth and requirements NKTN tokens price will hike naturally

- The project will undergo timely auditing
- Progress would be disclosed to all the investors periodically

Development of the Niyukth app and infrastructure has been underway for around 2 years. We aim to launch the app at the end Q3 2021. Our aim is to have a fully functioning product with NKTN token utility inside the app in 3rd quarter of 2021. Laid out in this whitepaper is how we will deliver an app and token with this much functionality.
